Statement re. GEOS Australia

We have been informed that all GEOS schools in Australia have gone into administration and been temporarily closed. The administrators are Ernst and Young of Brisbane, and they have announced that they will release further news no later than 17.00 Monday 1st February 2010 (Australian time).

All other GEOS regions are operated by separate companies and each company is independent financially. You may continue to send your students to the UK, US, New Zealand, Canada and our other multinational schools - their operations are not affected in any way.

Ernst and Young has given the following contact information:
Pauline Spitaleri : Tel+ 03-9655- 2539 or email geos.va@au.ey.com.

For information from English Australia contact: easec@englishaustralia.com.au
